AMENDMENT

In response to the Official Office Action mailed March 18, 1992, Applicant respectfully requests the Examiner to reconsider the rejection of the claims in view of the following amendments thereto, and the comments as set forth below. Please amend the application as follows:

IN THE CLAIMS:

- (11) 1. (Amended) A waste disposal apparatus comprising:
P1 a first combustion chamber for incinerating waste material in an oxygen rich atmosphere to produce ash and exhaust containing gasses and particulate matter;
P1 an injector for blowing air into said first combustion chamber in excess of the amount required for normal combustion;
P1 a second combustion chamber for firing said exhaust containing gasses and particulate matter in an oxygen starved atmosphere; [and]
